

Feathers 5K

A CANCER FUND RUN

February 23, 2023

Dear Supporter,

The Atlanta Cancer Care Foundation would like to invite you to be a sponsor of our upcoming **Feathers 5K**, a community based and family friendly fund run/walk in which participants can "flock together" to help make the financial burden of cancer as light as a feather!

The Feathers 5K will take place on Saturday, June 3rd at 8:00 a.m. at Oglethorpe University.

The Feathers 5K benefits the **Atlanta Cancer Care Foundation (ACCF)**, a local nonprofit organization whose mission is to reduce the additional stress that a cancer diagnosis could bring by providing assistance to patients in financial need. ACCF is dedicated to providing this critical financial assistance to adults living with cancer across our 17-county metro Atlanta service area. In 2022, ACCF provided over \$320,000 in assistance to more than 1,000 metro Atlanta cancer patients in need.

If you are not able to participate as a paid sponsor, please consider an in-kind donation to our Feathers 5K race. We particularly need event swag bag items as well as gift certificates from local businesses to be used as race prizes. In-kind sponsorships will be recognized on our website, race website, social media and in person at the 5K. We would greatly appreciate whatever support you are able to provide!

All proceeds from ACCF's Feathers 5K will support the Foundation and our Patient Financial Assistance Program which provides financial assistance for housing, utilities, transportation, food, medications and other basic necessities. You can learn more about ACCF on our website at www.atlantacancercarefoundation.org. If you have any questions regarding the event, please contact Gabby Dukes at gdukes@atlantacancercarefoundation.org.

Join ACCF in flocking together to make the financial burden of cancer as light as a feather!

With appreciation,

Gabrielle (Gabby) Dukes
