

Atlanta Cancer Care Foundation

20th Anniversary Impact Summary

Since 2001, Atlanta Cancer Care Foundation has provided fast, flexible, compassionate help to patients who are struggling to meet their basic needs during their cancer journey. We serve patients throughout the 17 county Metro Atlanta area, regardless of the type of cancer they have or where they are being treated.

This summary highlights the impact that our donors, sponsors, grantors, volunteers and staff have made in patient lives over the past 20 years.
