

Greetings!

We would like to invite you to be a **sponsor** of the **FEATHERS 5K**, which will be a community-based and family friendly event in which participants can “flock together” to help make the financial burden of cancer as light as a feather! The event will take place on **Saturday, June 8, 2024**, at 8:00 a.m. and will begin and end at **Oglethorpe University** in Brookhaven, Georgia.

This 5K event benefits the **Atlanta Cancer Care Foundation** (ACCF), a local 501(c)(3) non-profit organization dedicated to providing critical financial assistance to adults living with cancer across 17 counties in Georgia. In 2023, ACCF provided grants totaling more than \$400,000 to over 1,500 patients, who were referred by more than 40 different providers.

Our goal is to raise \$70,000 through this **FEATHERS 5K** fundraiser event. Your sponsorship of this event will enable ACCF to provide patients with financial assistance for housing, utilities, transportation, food, medications, and other basic necessities. Sponsor levels and benefits are listed on the following page.

If you are not able to participate as a paid sponsor, an in-kind donation is valuable in hosting this event. Suggestions include pre and post-race food and beverages, event swag bag items as well as gift certificates from local businesses to be used as race prizes. In-kind sponsorships will be recognized on our website, social media, and at the event, so all race participants and donors are aware of your support.

You can learn more about ACCF on our website at www.atlantacancercarefoundation.org. If you have any questions regarding the event, please contact Bryan Miller directly at (404) 695-0966 or bmiller@atlantacancercare.com.

All donations will make a difference! Thank you in advance for your consideration.

Sincerely,

Hiba Tamim, MD
